Our church is rejoicing that in the past few months, we have seen two new professions of faith in Christ! One is a young lady, Alice, who is 18 years old. She has been coming to our church for several months. Two ladies in the church invited her to do a Bible study and at the conclusion, she trusted Christ as her Savior. She is currently doing a discipleship class in preparation for baptism.

Victor, a 10 year old boy, who has a complicated home life, also trusted Jesus as Savior. Two ladies attending our church, that live close by him, have been bringing him to church. At the end of a S.S. class, he approached Andrea wanting to be saved. It is a blessing to see our church congregation working together in evangelism. Please pray for these new converts as they grow and get rooted in the faith.

Our annual youth camp was held July 15-19 near the capital of our state. There were 85 Brazilian young people from 9 different FWB congregations participating, 9 of them being from our church. We are grateful for these events with our Brazilian churches that enrich our local church ministry.

We have been privileged this summer to host many friends from the States. So far, we have received 12 guests and we are excited to be receiving 12 more by October. These groups and individuals come from NC, SC, VA, and TN. It is a joy to show others what God is doing in Juiz de Fora, Brazil. We appreciate people taking the time, expense, and effort to experience world evangelism firsthand.

Regarding our church building, we have experienced some delays. This is both positive and negative. On the positive side, it seems likely that we will be approved to have subsoil parking at our church, which is desperately needed. However, this will increase cost and delay the beginning of construction until sometime later this year. We do believe it is well worth the wait! Please continue to pray and stand with us as we endeavor to plant a gospel preaching church in this city of 550,000 souls.
