## FROM BRAZIL AND BEYOND

March 2011

Muito, muito, muito obrigado (thank you very, very much)! Our family is grateful for you, our supporters, who have kept us on the field through your prayers, encouragement, and giving going into this our eleventh year of ministry here in Brazil. Because of you, there is a FWB church in Juiz de Fora, Brazil, a city of over half a million people. This ministry could not and cannot go forward without your involvement!

The beginning of March, Brazilian FWB celebrated our annual family retreat in Barbacena. There were participants from all of our eight local FWB churches. Our average attendance was larger than ever, with over 200 people present for the final service.

This year's theme was a family's journey of faith. There were testimonies from newly weds, young married couples, families with young children, and families with older children. Each family encouraged the younger generations to marry in the will of God and gave godly wisdom, experience, and advice of how to have a Christian home.

The evening services were preached by Bro. Bobby Aycock. The Brazilian people were stirred and challenged by his messages and the altars were full. Bro. Bobby and Mrs. Sue shared stirring testimonies of how God brought them together as a couple, led them to Brazil, and sustained them through over half a century of ministry. Our Brazilian pastors and congregations were all inspired to do more for God than ever before.

Please do remember our ministry here in Juiz de Fora. We are excited, encouraged, and optimistic about the work here. Together, we are establishing a movement of Brazilian FWB churches that are preaching the Word and bringing souls to Christ.

May God bless you for your desire to take the gospel to Brazil and Beyond.
